

Entrepreneur Power Pledge

I _____, a representative of _____, pledge a commitment to VSEDC & LADWP in the interest of water and energy conservation. We understand it takes a community wide effort to make change and we are prepared to act as a catalyst to make a difference in our environment.

_____ pledges to strive for the following:
(Business Name)

- **Use EnergyStar appliances whenever possible**
- **Eliminate the water cooler**
- **Switch electronics and appliances off at the end of the day**
- **Institute a company conservation program**
- **Schedule regular maintenance checks on HVAC & plumbing equipment**
- **Replace bulbs with energy-efficient bulbs**
- **Check the VSEDC & LADWP websites for new information**
